

Employee.Program.Main

```
graph LR; A[Employee.Program.Main] --> B[Employee.AppConfigure.ConfigureApplication];
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'Employee.Program.Main'. The right box is gray with a black border and contains the text 'Employee.AppConfigure.ConfigureApplication' on two lines. A blue arrow points from the right side of the left box to the left side of the right box.

Employee.AppConfigure.Configure
