The diagram illustrates a dependency or relationship between three methods. On the left, two white rectangular boxes represent source methods: 'WPR.Controllers.SignUp.SignUpController.signUpEmployeeAsync' (top) and 'WPR.Controllers.SignUp.SignUpController.signUpPersonalAsync' (bottom). On the right, a gray rectangular box represents a target method: 'WPR.Controllers.SignUp.SignUpController.IsFilledIn'. Two blue arrows point from the source methods to the target method, indicating that both source methods depend on or call the target method.
